July 7th - August 22nd / 7 Week Session / \$75

Our preschool program is designed to encourage the love of dance. In the ballet portion of class, "real" terminology is used as the gross motor skills are taught through games and group activities. Older students are introduced to barre work. Tap techniques are used to explore rhythm and eventually combinations. Improvisation (free dance) is in integral part at the end of each class.

weekly children's classes

Thursday

Ballet 3:30

Hippity Hop 4:30
(ages 7-11)

Tap 5:30

Hip Hop 6:30
(ages 12 & up)
